

2018~2019 Brant~Argyle Harmony Agreements

These agreements were made in September by each of the four classes.

The statements were all decided upon, agreed on, and signed in agreement by children and adults.

Each class uses their agreement as a guide for discussion, conflict resolution, and consequence.

EAST

We are a safe and caring community of learners.

We are mindful in our words and in our actions.

We value ourselves, others, and the environment.

We can fix, and learn from, our mistakes.

SOUTH

We are creative.

We are peaceful when we play by being gentle and using soft inside voices.

We are kind friends together.

WEST

We are respectful (of ourselves, of each other, of our belongings).

We love (ourselves, each other, our school).

We are honest (with ourselves, with each other).

We have the courage (to try new things, to work hard, to be positive).

NORTH

We do our best.

We are kind role models.

We be ourselves.

We are honest.

WE are respectful to ourselves, others, and property.
