At B-A School we love to utilise the Argyle Skating Club Rink in the winter months for skating with our classes! Please watch for notes in agendas for which days your child may be skating as each classroom teacher may choose different days. Some may base the choice on the weather, while others prefer a set day. If your child wishes to be on the ice (whether in boots or skates) they must have a fitting helmet with a working strap.

Just a heads up that February is I Love to Read Month! There may be extra activities happening in our building!
