

Brant-Argyle School  
2026

# April

We hope everyone had the type of spring break that was needed! As we enter April we are hit with the realization that there are only 3 months left of school before the summer holidays!

With April comes a much more notable shift in the weather! Please ensure clothing appropriate for the changing weather conditions are available when at school (even if they are simply stored in the backpack "just in case").

More information to come in May about:  
Spring Tea  
Badminton divisionals  
4H  
Gr 8 grad photos (mid to late May - TBD by weather/Mrs. Friesen)
