The countdowns are on! We have SO many exciting events coming up between now and the end of June!

You will notice there are two bus evacuations listed this month - On May 6 all students K-8 will experience bus evacuation in its usual form. On May 15, Gr 5 students will get a more in-depth bus evacuation experience! This occurs every year for Gr 5 students division-wide.

More information regarding the Kinder Orientation evening coming for 2026-2027 Kindergarten families via email!

Things coming up in June:

- "Transition Day" (Thursday, June 18) where all students K-8 for the 2026-2027 school year get the opportunity to bond with their classmates, staff members, and routines for the entire morning block (8:30am-11:30am).
- The Celebration of Learning will be on June 26 at 1:00pm! More details to come!

Wishing everyone a beautiful Mothers Day!
