

# Brant-Argyle School

# JUNE 2026

How is it our last month of school before summer break?! We have a lot of fun activities planned and a lot to keep track of. Please reach out if you have any questions!

**Class Transition try out day:** This is a day for our new kindergarten students to meet staff/students and try out a morning in their new school! It is also an opportunity for all other students to spend the morning with the classmates and teacher who will be in their class for the 2026-2027 school year!

**Bike Day:** All children/staff who bring a bike AND helmet this day will participate in either a trail ride or loops in the new development/town (and on the playground). Bringing a bike is not mandatory!

**Water Day:** Please send your child(ren) with a swimsuit, change of clothes, towel, sun screen, hat, water shoes (if you'd like) and a water gun (if you have)!

**B-A Talent Show** is a just-for-fun opportunity for the students to showcase their skills utilizing the stage! Students can get together in small groups or individually showcase talents in (singing, dancing, joke-telling, skits, etc) during the school day.

**Celebration of Learning:** Join us in celebrating all of the learning we have done this year. Included in our celebration: a focus on the Gr 8 children completing their early/middle education and all of the students moving into the next grade! There will be a slideshow, a song sung by the children, certificates, speeches, hot dogs and cake!

A huge thank you to all parents and guardians for all you do for your Brant-Argillian(s)! You support, love on, and guide them every single day! And to our amazing students, we are SO proud of you for all of your hard work in learning and growing your skills (academically and socially) this school year! We will surely miss everyone all summer long and look forward to another beautiful year of learning in the fall!

Wishing our Gr 8's ALL the best in High School! We will miss you dearly!
